Baby look at me, and tell me what you see
You ain't seen the best of me yet
Give me time I'll make you forget the rest
I got more in me, and you can set it free
I can catch the moon in my hand
Don't you know who I am

Remember my name, "Fame", I'm gonna live forever.
I'm gonna learn how to fly, high.
I feel it coming together
People will see me and cry, "Fame".

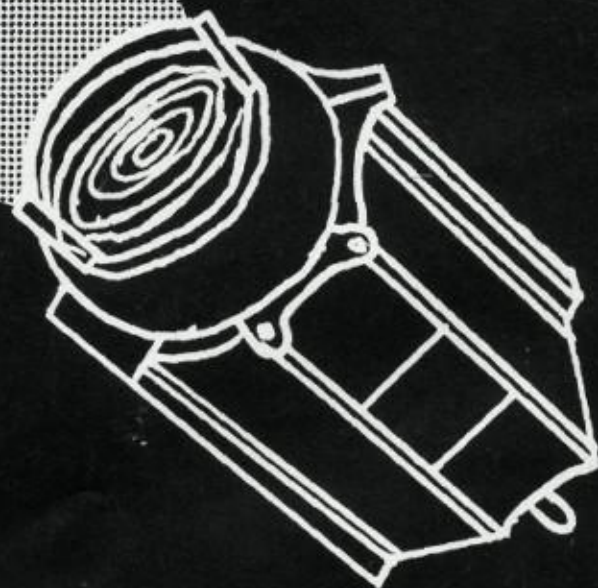

Fo

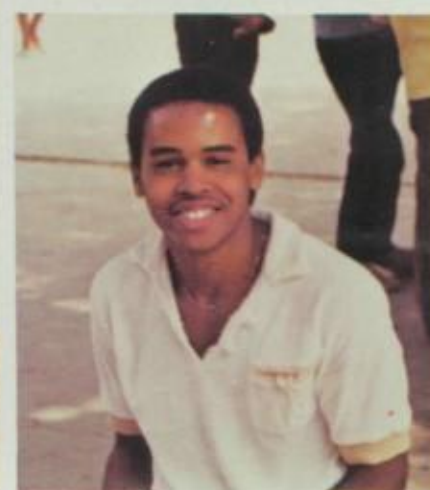

I'm gonna make it to heaven
Light up the sky like a flame. "Fame"
I'm gonna live forever, baby remember my name.
Remember . . .

Baby hold me tight 'cause you can make it right
You can shoot me straight to the top
Give me love and take all I got to give
Baby I'm in touch, too much is not enough
I grab your heart 'till it breaks
Ooooo I got what it takes.

The Golden Jubilee is very exciting with many present and former faculty attending. Those present include: Hillary Matthews, Ira Reiner, Mayor Tom Bradley, Councilman Zev Yaroslavsky, and many others. Mrs. Jimenez was there to participate in the action too. Buttons and balloons, old yearbooks, pictures and T-shirts with the Golden Jubilee logo were all sold to faculty, students and friends. It was a great way to celebrate Hami's 50th anniversary.

THE HUMANITIES MAGNET CENTER

The humanities approach to education believes that knowledge should not be separated into compartments, but rather that all knowledge is related because all knowledge affects human beings. Instead of having one class in Social Studies, another in English, and another in Fine Arts, humanities teachers believe that the English classes should incorporate related literature, history, writing assignments, art, music, and philosophy. This means that English is not only a way to learning writing, grammar, and reading, but a way of appreciating a whole culture. By using the humanities approach, the student becomes aware that all learning and all actions affect human beings; thus he/she learns that the quality and responsibility for learning and decision making are very important.

Students enrolled in the Humanities Magnet have been given insight, depth and added dimension into the importance of the humanities as a means for discovering personal fulfillment. Emphasis has been placed on a multi-faceted course of study which challenges and motivates the student's desire to achieve academic excellence while sharpening his/her ability to examine the interrelationships that exist among the Humanities. Field trips to museums and live theatre; films; lectures and programs by the teaching staff and distinguished people in the Humanities have presented an exciting, creative reinforcement of classroom learning.

HOMECOMING

81

Varsity football player, Mark Lockett, looks ready to attack at the game against Franklin.

Hamilton's "Yankee Spirit" band brings out the crowd's enthusiasm during the parade.

The spirited J.V. cheerleaders say "hello, TO YOU!"

Friday, November 13, Hamilton's 50TH Homecoming is filled with spirit and excitement. Green and white balloons and buttons are sold at nutrition and lunch, and everyone anticipates the game, half time, and parade. The parade includes many groups such as cheerleaders, tennis team and various clubs. The day of excitement ends with the Homecoming Dance that evening.

Hami Fall Student Body President, James Comisar, strides officially down the field.

"All aboard for the Yankee Express, we're coming down the line, we're going to do our best!"

Our girls' tennis team championship players, Rochelle Steiner, Simone Schaff and Lisa Ziff, show their Alexgator spirit.

Homecoming runners-up, Jeanette Myles and Mark Lockett, look onward toward the cheering crowd.

Hospital Occupations students march proudly in the parade.

11th grade prince and princess, Geoff West and Letty Castaneda, modestly accept their royalty.

Hamilton's Flag Team salutes the Homecoming Day festivities.

Student Council members, Jodi Chosak and Nina Lichtig, stroll across the field after a long day's work.

... and the crowd goes wild?!

Yankee Yell Leaders and Mascot shout out their spirit.

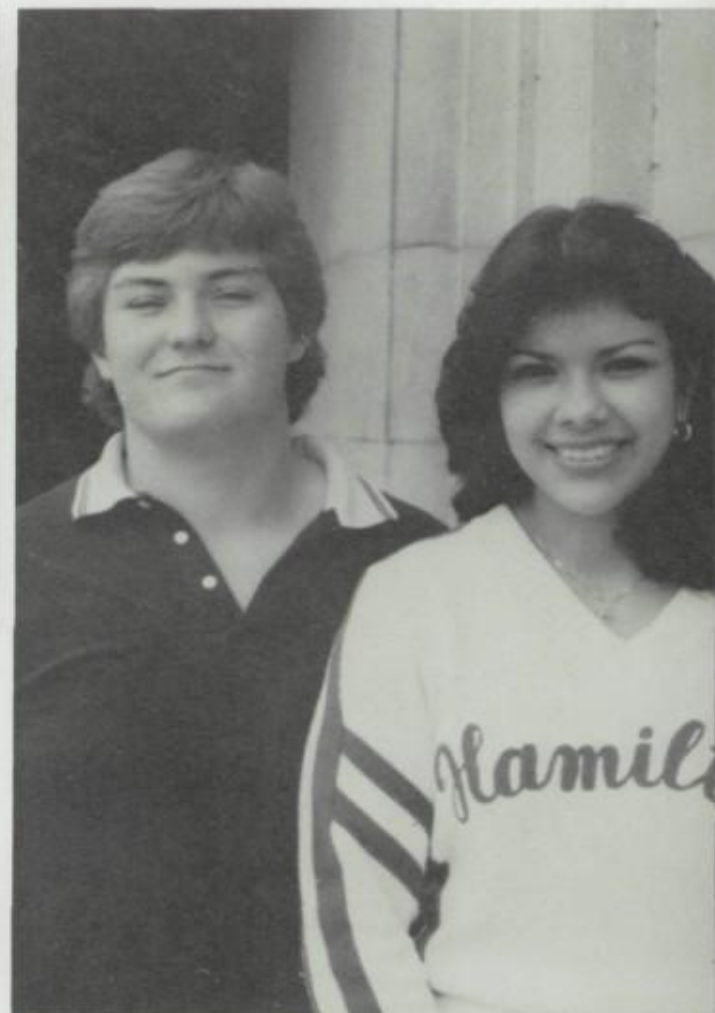

Dreamers and Reasons Car Club leads the way for the cara-VAN.

AU REVOIR MR. FUNK

Richard Funk has been a French teacher here at Hamilton for twenty-two years. In his twenty-two year tenure he was out only one day, otherwise Mr. Funk was in perfect health. Mr. Funk jogs, plays volleyball every Sunday, and is a bicyclist. He plans to spend his time in retirement playing volleyball, sleeping late, relaxing, and going to the beach.

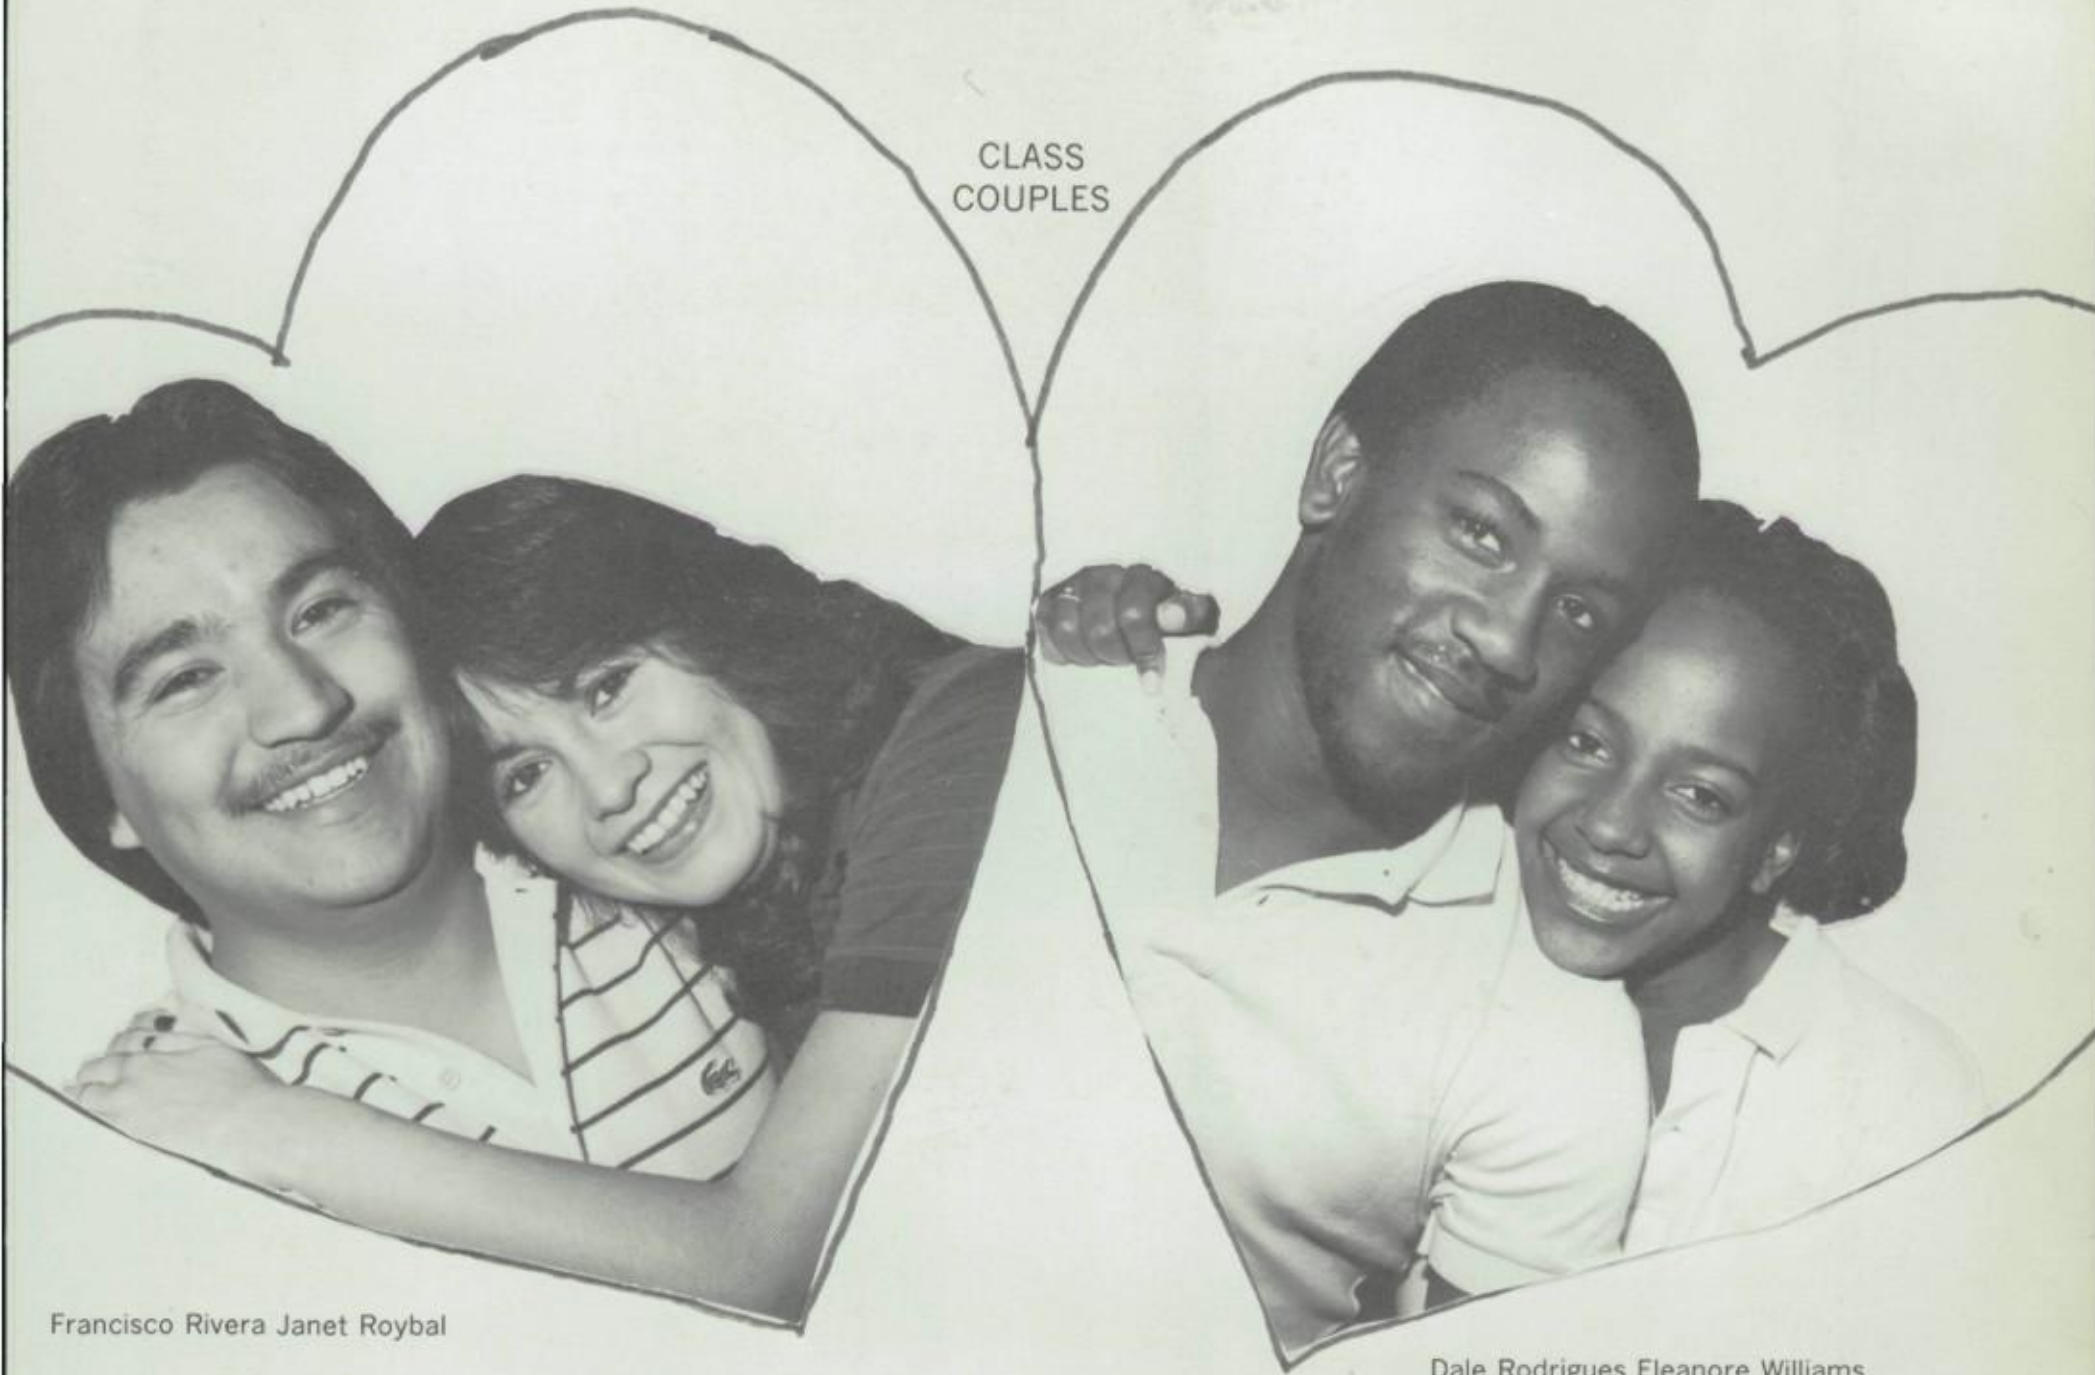

**In memory of Vincent Alexander.
May 23, 1963 to December 4, 1981.
He was a good friend to us all.**

As I look back on my years here at Hamilton, I see the great importance of believing in oneself and having self confidence. Remember, in your own way, you are all famous.
